

## ADIEU

As I Once More Suffer Loss Of Thee.

Thy Presence Fades.

Thy Fly. Flee.

Take Thy Leave.

Shed Cloak Of We. Embrace.

Journey Into The Vale.

Beyond Our Lovers Bourne And Pale.

No Note Of Loss Of I.

Nor All Thy May Forsake. Let Die.

Save Glance Behind In Furtive Haste.

Query Will. Our Paths And Orbits Still

Share Time And Space.

Or Perish Now. Devoid. Bereft. Of Harmony.

We So Suffer. Grieve.

As We No Longer Twine.

Fall From Grace.

P

Ah That I So Faithfully Adhered.

To Belief Your Gentle Heart Would Hear.

Call Of My Own.

From Love's Dalphous Drifting Mist.

We Know With Faith In Each.

Meaning Of Love's Trust And Bliss.

Alas. Days Of Alone And Want.

Gave Way To Tortured Months And Years.

What Have With Such Dark Depths Of Despair.

Sailed My Poor Sad Ship Aground.

On Shoals Of Now And This.

No Longer May.

I Harbor. Pursue.

Mirage Of Your Love.

Pretend I Feel. Felt. See. Saw.

Hear. Heard. Know. Knew.

The Words You Say And Said.

Are. Were. Of Eros True.

Seek Solace In Ghostly Fantasy.  
Illusion. Your Spirit Blends.  
Melds With Mine.

Nor Spector You May Grant Your All To Me.  
As I So Give My All To Thee And Thine.

For Though You May Conjure And Spin.  
Visions Of Pure We Of Us.

Sow Mystic Seeds. Pearls. Charms.  
In Veil Of Hope That We Be One.

Such Rapture. Grail. Heart's Peace.  
Dwell Not In Truth.  
But Only In My Dreams.  
In My Mind.

Though Still It Be. Your Gift Of Silken Voice.  
Rare Form. Face. Scent.  
Limpid Emerald Eyes.  
Siren Call.  
Golden Fleece.  
Lotus Bud.

Longing That I May Reap.

Enjoy.

Rare Gifts.

Rejoice At Honey Of Thy Bosom.

Yes. Know. Taste Fruit.

Of Mystic Portal Of Thy Thighs.

Symphony. Waltz.

Of Our Mortal Vessels.

May Flow.

May Be.

Entwine.

With Mingled Breath And Sighs.

Quixotic Tapestry Of Intellect And Thought.

Smile's Subtle Light.

Spell So Cast.

So Wrought.

Alas.

Capture My Very Self.

Bind My Being.

With Velvet Chains.

P

Now Love's Promise Of Your Plythe.  
Has Drifted In Breeze Of Life. Passed.  
Piper Of Your Play Of Love. Has Called.  
I Pay The Toll Again.

Fears Of Nothing Dance.  
With Ghosts Of Empty Thoughts.  
Of We To Come.  
So Soon. Down Of Love's Illusive Sun.  
Wane of Our Faded Moon.

Tears Of Might Have Been.  
Fall With No Quarter. Nor No End.  
In Cold Fog And Rain.  
Of Angst And Pain.

No More May Eyes Be Blind.  
Ears Dumb.  
Mind Mute.  
Truth Be Stilled.

Portrait Of Your Barren Stage.  
Of I Of I.  
So Crafted With Thy Subtle Art.  
Brush Of Bemused Indifference.

Has So Emerged And Rests.

On Canvas Of My Inner Room. Soul.

Drawn. Scribed. Scrolled.

With Pen. Quill. Dipped In Ink.

Of Blood Of We.

Thy Lack Of Empathy.

For One As Me.

Certainty Nere Will I Hear Your Yes.

So Chilled My Very Will To Live.

Yea Killed All Hope.

Joy. Vision. Prayer.

That Yet It May Still.

Be So For You And I.

Thus Such. Nere Will Exist.

Nor In Future Tales Of Love.

So Sung. So Told.

Will Wither In The Dust.

As Those Fateful Ill Starred.

Loves Of Old.

Thy Lance Thrust.

Knife Strike.

Blow To Trust.

Your Fatal Wound Of No. Never.

Now Decrees. So Ordains.

We Of We So Be Gone. Alas.

As Fragile As Rose Of Happiness.

As Fleeting As Touch Of Fame.

So Rests Our Love.

In Narrow Room. Chamber Of Thy Neigh.

From Bier Of Thy Spurn Arrows Flight.

As They So Pierce My World.

Lay My Heart's Hope.

For Thy Love To Rest.

In Shroud And Tomb Of Darkest Night.

No More. May Rays.

Of Dawn.

Give Lee To Kiss Of Day.

That Nurtures. Feeds.

Soft Needs.

Hunger.

Of Is And Must.

P

Ah Such A Wretched Cusp.

Our Sun Has Set.

Our Bonds So Cleaved.

Nere Meant To Last.

Such Grief. Remorse. Regret.

So Borne. Beget.

As Two Stars Pass.

Yet Nere. Unite.

Hapless HeartRending.

Tragedy Of Might.

Winds Of Time What Blow.

Sands That Drift.

Have Touched Our Union.

Had Their Way.

With Silent Stealth.

And Deadly Guile.

Ah Was It Ever So.

You Did So Love. Care.

For Such As I.

Or Were Your Missives.

Of Caring Heart. Spirit.

Regard Of I. My Plight.

Devoted Thoughts.

Mere Convenient Rays.

To Calm My Desire.

Gather To Thy Breast.

Jewels of Thy Whims And Thy Delights.

Alas. No Matter.

Ponder Not. If.

Nor Why.

No Need Thee Reflect.

Remember Doors Not Opened.

Hands Not Clasped.

Nor Heart Changes Taken.

Vows Nere Pledged Or Broken.

Nor Roads Passed By.

Nor Dare. Thee See. Hear. Heed.

This Lonesome Lovers Tears. Cry.

For Indeed.

The Only Musings.

In The Dark.

What May Stir The Silence.

Where Tragic Shells. Husks.

Of Wasted Love. Trust.

Reside. Lie.

While The Curtain Falls. Reaper Toils.

Jester Smiles.

Light Fades And Dies.

Are The Muted Sounds.

Unceasing Pain And Empty Sorrow.

Loss Of Not To Be.

Gone And Over.

Past Moments Where A Lover Tried.

Gave All. Yet All Hope Died.

Was So Rejected And Denied.

Now All That May Remain.

Lie Ahead.

P

Rue It Be So.

Such Poignant Words.

Of Woe And Truth Be Said.

Are Hollow Calls.

False Promises.

Lost Tomorrows.

Clay Gods.

Brass Rings.

Tinzel Wizards

Of Amour.

Sad Song And Music Of Au Revoir.

From One Who Loved You With No Limits.

Sought Mere Pledge In Turn.

But Met With.

Will O Wisp.

Of Love Instead.

Now In Such Ashes And Abyss.

Doth Persist.

No More.

No Less.

Than Wanes,  
Manes,  
Shades,  
Revenants,  
Wraths,  
Of This.

Tragic Void.  
Nothing Left.  
Save.  
Quiet Dead.  
Mournful.  
Misty.  
Blue.

Haunting Caress.  
Of Adieu.  
Ciao.  
Adios.  
A Rivederci.  
Auf Wiedersehen.  
Fare You Well.  
Great Spirit Speed.  
And Bless You.

Whisper of Good Bye.
